Average Distance Traveled

186.24 Miles

Methodology

- Athletes were invited to take the survey through a notification at packet pickup, on the Tinman Facebook page, on the event's homepage, as well as in post-race email.
- The respondents were entered to win either a free pass for next year's race or a pair of passes to the Wild Center.
- Of the 594 Tinman participants this year, 168 people completed the survey, resulting in a 6% margin of error.

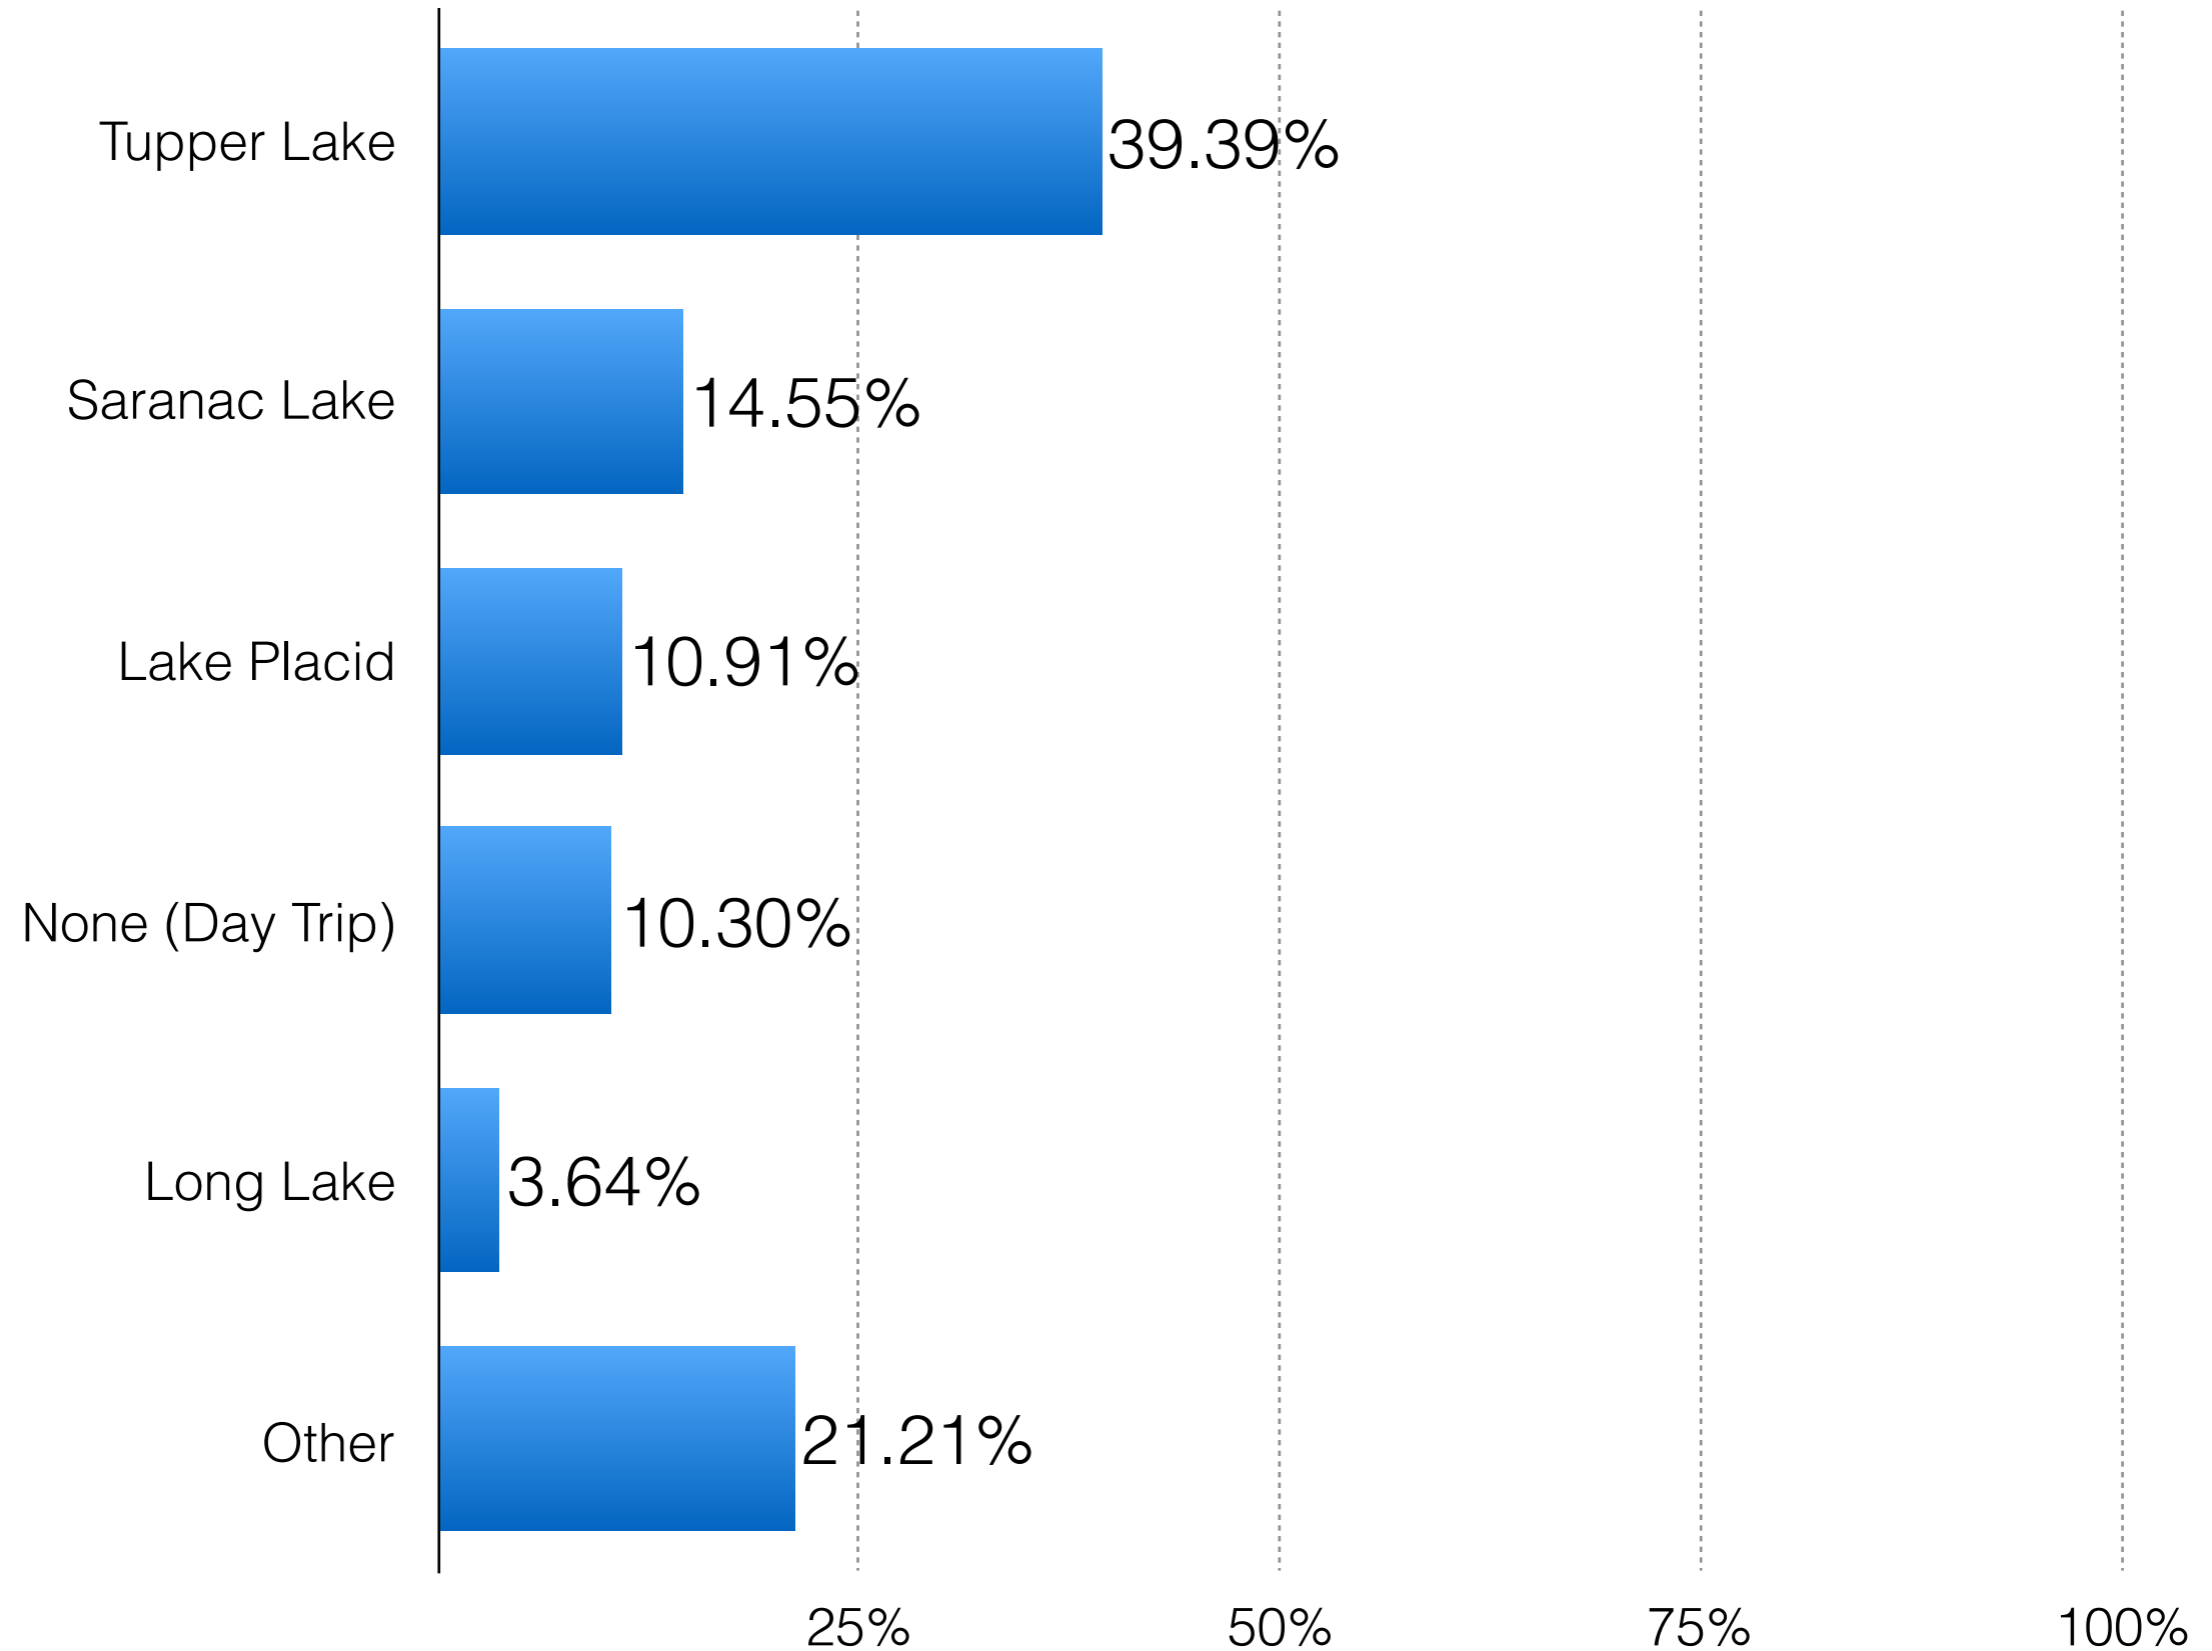

Locations of this year's participants
