After the fishing tournament at Champlain, renting a house in Ticonderoga in Lake George with the family. The town is unique in that it has easy access to Champlain and Lake George.
All Vermont and New York sponsored events should be given permits at the current rate. All out of state tournaments should pay a larger permit fee for the use of our wonderful lake. This would limit the number of tournaments and decrease fish casualty.
Amazing boat ramps
Bass tournaments seem to bring a lot of business into Ticonderoga. Its a disappointment that the boat inspection rules make having any significant tournament on Lake George impossible. I hope that doesn't happen on Lake Champlain as I think it will have a significant / further effect on tourism. My club had 6 people there for a week and we make at least one trip every year (about 12 people).
Beautiful country out there,enjoyed my stay,will do again!
Beautiful region. One of my favorite places to visit.
Best western is pricey. Sometimes 2 night minimum,not a fan of that. Hard to get room there at times.

I arranged for accommodations for several guests at the Ticonderoga Best Western, so I facilitated additional income to area hotels, restaurants and shopping areas in addition to my own money that I spent in Ticonderoga.

I love fishing Lake Champlain!
I love the Ticonderoga area, the history there is so interesting. I feel like the neighboring towns, such as Crown Point, could use some beautification in the downtown area.

I love Ticonderoga
I visit many times during the summer, not only for tournament fishing but for practice prior to tournaments as well as just fun fishing.
It is a great place to fish. I think that you need more motels like the Best Western in the Ticonderoga area.
Lake Champlain has always been a very good fishery, and Ticonderoga is a very pleasant place to stay

Over fishing in Ticonderoga area.
Thanks for the assessment, hope it helps to keep the Ti region thriving and welcoming for future tournament tourism ;-)
The Collegiate Cup was a very well run tournament
The lake is the nicest body of water in the USA --- by far !!!
The people are very friendly
The Super 8 is well run, clean and close to shipping at Walmart
Though I did not fish personally I did bring two anglers who are the future of this sport and will continue to travel with this sport
Ticonderoga is a great area to host a tournament. Overall it is well suited for bass fisherman.
Ticonderoga is a great host for tournaments. I think a few bigger events should launch from down there to bring back some of the fish they catch up north to pay the southern end of the lake back.
Ticonderoga is a great tournament venue, please continue supporting these organizations so we can keep coming back to your area. Most if not all anglers love the TI area.
Ticonderoga is a staple mark for fun.
Ticonderoga is one of my favorite fishing area
Ticonderoga is one of the best bass fishing areas in the tri state
Tournaments shoul start earlier 6:00am. Heavey large boat traffic seems to be stirring up silt in the water because of receding weed line (not just chestnuts every aquatic weed bed). Would love to see some carp tournaments on Champlain
Very nice people, good food, and a great body of water to fish.
Very nice place to visit
We always enjoy coming up to Lake Champlain whether it is fishing or with my wife. The people and the town are great.
We love champlain and all it has to offer
would like to see more stores open other than a lot of gas stations, tackle shop would be nice
yes i would like to receive future emails about the area especially for dining and lodging discounts however I dont want to recieve frequent emails either. Thank you.
