

WELCOME TO THE ADIRONDACKS!

We're glad you're here. To help keep everyone as healthy as possible, please follow these guidelines:

Let's all work together
for a perfect day!

SOCIAL DISTANCE

Avoid close contact with people; do not shake hands. Keep a distance of at least 6 feet from others. Please follow posted rules in businesses.

WEAR A MASK

When you can't keep a 6-foot distance, please wear a mask. This includes crowded sidewalks, stores, and tree branches.

WASH YOUR HANDS

Wash your hands often with soap and water for at least 20 seconds, especially before you eat. Avoid touching your eyes, nose, and mouth with unwashed hands.

The antlers of a bull moose
can grow up to 6 feet across!

You should try
finding hats
that fit!

If you can't find a majestic
mountain stream, a sink
will do just fine.

If you start feeling ill, you otter
stay home and contact
Adirondack Medical Center
(518-897-2462).
