

Welcome!

# PLEASE STAY

← --- 6 FEET\* --- →  
APART

Moose lose their antlers  
in the winter and grow  
new ones each spring.

\* The antlers of a bull  
moose can grow up to  
6 feet across! Please  
social distance even  
farther from moose.

SOCIAL  
DISTANCING  
SAVES  
LIVES!

Adirondack Advice:  
Never challenge a moose  
to a snowball fight.
