

While you're visiting down Main Street, take the time to hunt for the hidden holiday symbols for your chance to win! The scavenger hunt will take place Saturday, December 26 - Thursday, December 31.

Have a great time, shop local, and be merry! Please remember, masks and social distancing are required on Main Street. This includes in all stores and restaurants, and while walking down the sidewalk when social distancing isn't possible. We want to keep everyone safe and healthy for the holidays and every day!

When filling out the form, tell us where you found each holiday object on the line below each image. Please note: there are multiples of each object, so you may see them in multiple places. You will only need to tell us one location for each object.

When you're done, you can drop the form off to the Visitors Bureau in Lake Placid or in the designated letters to Santa mailbox in Mid's Park on Main Street!
